Services: Total Waste Management

Date: 2001-2008

Client:

PWWS Key Team Members

Victoria & Prince Rupert Cruise Lines

Peter Lehmann

### PROJECT HIGHLIGHTS

- ❑ Provided full spectrum of waste management services for all waste off-loaded from Cruise Lines at Victoria and Prince Rupert docks.
- ❑ Wastes managed include, but are not limited to: Garbage, cardboard, plastics, paper, bilge water, bunker sludge, hazardous waste, biological waste and donated items.
- ❑ Provided on-site treatment of bilge water and bunker oil sludge in Victoria.
- ❑ Provided ships with containers for garbage, recycling, biological waste and hazardous waste.
- ❑ Consulted cruise lines on environmentally friendly waste management practices.
- ❑ Peninsula operations purchased by Hazco Environmental in September 2008.
